Mrs. Ruby Stuff
Le Claire, Iowa

Dear Mrs. Stuff:

Enclosed is the itemized statement for the stove which Lund's Garage installed at the Le Claire station last fall. Mrs. Kbbbburg called Saturday to say that it should be sent to you. If there's anything wrong with the statement, please let me know.

We have sent you a book of comparative religions in which there is a description of Lutheranism. However, we do not have the requested life of Luther, and so far I have been unsuccessful in getting it at the Davenport Library. I am orderming it for this library, but it will be a matter of a few weeks before it'll will be ready. When does the borrower have to have it? I shall keep trying at Davenport in the mean time.

Yours very truly,

Elizabeth B. Hage
Librarian
